Hello

We announce the Launch of a new Product in our Shop: The Happy Flyers Pilot's Cam #1

It Comes pre-configured with optimal Settings and with a custom RF filter that reduces every UHF noise and RF interferences near to Zero!

The camera has totally clear and well consistent exposed image, a compact size and a plastic case around it which makes it a perfect camera for our Wipeout! Even at night it is possible to use this camera!

Here some specifications:

- Size: 25x25mm
- Weight: 20g

- 1/3" Sony SUPER HAD II CCD
- 2.8mm Lens
- 600TVL, high picture Quality
- 0.01Lux
- OSD Menu
- Current consumption 70mA
- Input Voltage: DC5V~22V

Price: ~ CHF 80.00

More will follow.

Kann man schon en genaueren Erscheinungstermin sagen oder ist der noch in weiter Ferne? :d
Wäre sehr interessiert..

A release date isn't known at this time.... We are very sorry for that. Thats because our last Batch was totally unusable with the TBS PNP Pro OSD.

Please stay tuned!
